

Supercharge Your School's IT Team

Give busy IT teams a boost with time-saving edtech

The challenges school IT staff face require innovative product designs and a deep understanding of school needs. From organizing inventory to equipping staff, educators and students with reliable tech, Logitech can help tech experts ensure the school year is a success with tools that make their days less hectic.

STREAMLINE INVENTORY AND SIMPLIFY MANAGEMENT

Logitech offers easy-to-clean, plug-and-play products designed for durability and increased value by reducing replacement needs. Our rugged, school-friendly solutions feature packaging designed to help IT administrators quickly deploy and easily track inventory.

RUGGED COMBO KEYBOARD CASE

920-009320 (Rugged Combo 3)
920-010341 (Rugged Combo 3 Touch)
920-011133 (Rugged Combo 4)
920-011130 (Rugged Combo 4)
Protect student iPad® devices and enable more productivity. Rugged Combo's stackable feature allows for easy tracking without the rummage.

ZONE LEARN WIRED HEADSET

981-001372 (3.5 mm AUX, On-ear)
981-001389 (3.5 mm AUX, Over-ear)
981-001367 (USB-C, On-ear)
981-001383 (USB-C, Over-ear)
With audio drivers tuned for vocal clarity and optimized for digital learning applications, Zone Learn enables sustained focus and clarity. Headsets are packaged in individual storage bags with space to write students' names for easy tracking.

LOGITECH PEN

914-000065
Unleash student potential with this USI-enabled Chromebook stylus that helps them express knowledge in meaningful ways. This rechargeable stylus ships in a convenient education-specific, 10-pack with serial numbers included on each package.

LOGITECH CRAYON

914-000078 (USB-C)
914-000031 (Lightning)
Pixel-perfect precision is now in the hands of students. Powered by Apple Pencil technology, this quick-charging stylus helps students write naturally and draw confidently.

COMPATIBLE TOOLS FOR COLLABORATIVE AND INTERACTIVE CLASSROOMS

Set up classrooms efficiently and keep them running with tools designed for broad compatibility and clean installation, reducing IT storage trips and classroom set up time.

RALLY BAR VIDEO CONFERENCING SYSTEM

960-001485 (Rally Bar Huddle)
960-001336 (Rally Bar Mini)
960-001308 (Rally Bar)
960-001225 (Rally Plus)

Premium, ultra-HD class of conference cameras compatible with all major video platforms. Run video conferencing applications directly on the device — no computer or laptop required.

SCRIBE WHITEBOARD CAMERA

960-001332

Scribe empowers all learners to participate fully by broadcasting unobstructed whiteboard content in classrooms and hybrid learning environments. This AI-powered whiteboard is complete with cable retention features and options to route cables up, down, or through the wall for clean and confident installations.

EMPOWERING EDUCATORS WITH USER-FRIENDLY EDECH

Ease the burden on IT and save time with user-friendly features that allow educators to turn on devices and use right away.
